Kids Day Inn

Kids Day Inn is a ministry of Pathway Church. The goal of our teachers & staff is to provide a quality, Christian based "Mom's Day Out" program that supports families in raising their children in a manner that is pleasing to God. Great care is taken in the selection of the Kids Day Inn Staff. Each teacher has a deep love for God and for children. It is our desire to make your child feel safe & loved while in our care.

A Typical Day at KDI:

While at Kids Day Inn, children will spend time learning about God & basic Bible truths, singing songs, doing finger plays, creating simple crafts, outdoor play or gym time, making new friends, eating lunch together and exercising both body and mind. They will also be introduced to colors, shapes, numbers and nursery rhymes; it is a full day filled with tons of fun! Don't be surprised if your child is ready for a quiet time when they get home!

We invite you to contact us with your questions & consider scheduling a visit to see a class "in action"!
