

Kidslink February Updates

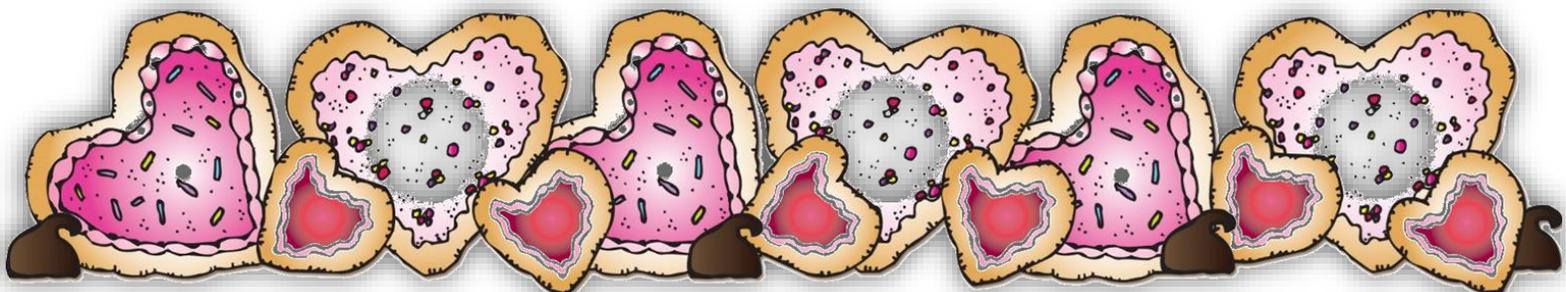

February is one of our favorite months! We have so much fun getting ready for and celebrating Valentine's Day at preschool! Our Bible Unit continues the love theme as we emphasize that we love one another because God loves us. There are two Bible Verses this month: "Love one another." I John 4:7 and "God is love." I John 4:8. Our spiritual application focus is that Jesus always loves me and we need to love others.

The following Bible stories relate to our February love theme and teachers may use them in the classroom during the month:

- Parable of the Prodigal Son
- Zacchaeus
- Joseph's love for his brothers
- The Lost Sheep
- The Lost Coin

Valentine Parties

T-TH Classes: Thursday, February 12
MWF & 5 Day Classes: Friday, February 13

- Children will be making valentine boxes, sacks, or containers here at preschool.
- Bring valentines ready to deliver!
- Have your child write only their name on back of valentine!
- Generic valentines make it much easier for the children to deliver themselves! It is helpful not to have gender specific "boy or girl" valentines!
- Valentines are much easier for your child to distribute when friend's names are not on envelopes. Please leave envelopes blank on the outside. Teachers will love you for doing this as it avoids a lot of frustration in the classroom, too!
- To prevent spills and tears: No taped candy. If candy is included put valentine & candy together inside a small closed baggie so only one delivery is necessary.

Vision Screening

Peggy & Diana

Thanks to Peggy, Diana and Debbie from the Wichita Northwest Lions Club, who came out and provided free vision screenings to our students on January 29th and 30th! If your child received any abnormal results from the screening, please follow up with a local optometrist.
