September

Updates

HOORAY! Our 2026-2027 School Year is finally here! We are SO excited! You are now part of our Kidslink family! We want you as parents to feel comfortable and at home here! Don't hesitate to ask questions when you have them! Call or email us any time! Here's what you can expect from our Kidslink Staff this year...

- **We are going to teach!**

Our passion is early childhood education and teaching young children!

- **We are going to care, nurture, and love your kids!**

We are looking forward to getting to know each child and their unique personality. They will be well taken care of while they are with us! Relationships matter at Kidslink!

- **We are going to be a catalyst to inspire and encourage growth & development in your child this year.**

We want your child to thrive as they are actively involved in the adventure of learning! It's incredible to see where children are at in September and to document so many developmental changes by the end of our school year!

- **We are going to learn about Jesus through sharing Bible stories, learning Bible verses together, and having application lessons that reinforce Biblical truth!**

Kidslink is a Christ-centered preschool where we honor and follow Jesus. Christian principles permeate all that we do.

- Finally, we are going to have FUN!

We help to build the foundation for your child's future educational experiences. Learning should be engaging, fun, and hands on. We want your child to be excited about school! Our goal is for your child to have a great year here at Kidslink! We are ready to make this happen!

Each month you will receive an email with my "Director Updates" as a pdf file attachment. This will provide important information of Kidslink events/activities/happenings! It will help you to stay connected with us! We want to keep you in the loop!

USE WEST ENTRANCE TO PATHWAY CHURCH!

Kidslink has exclusive use (with a few exceptions) to the west side of Pathway Church and will have arrival/dismissal from the west exterior doors. Classes have been assigned different entrance doors and areas. We have a map that shows where each class will meet. This document is available under Parent Portal/Parent Information on our website (Map of Pathway Building Dropoff 2026-2027). Teachers will be at their designated doors for approximately 10 minutes until most of the class has arrived. If you are late in arriving, please bring your child in through the East Entrance and ring our doorbell for access. Preschool Hallway doors will be locked while children are in class.

We have SO much fun on our Playground!

Socks and Sneakers

Those flip-flops are adorable.
Your sandals are so cute.
And you look very stylish
in your clogs and cowboy boots.

But when you're on the playground
where there's dirt and stones and rocks,

the safest things for you to wear
are sneakers and some socks!

Your teachers want to keep you safe.
We think you're very sweet.
So, please wear socks and sneakers
to protect your little feet!

The best shoes to wear to preschool are athletic shoes! Your child will be able to play on all the playground equipment if they wear closed toed athletic shoes. While we do not prohibit children from wearing other types of footwear, certain pieces of our outside playground equipment will be unavailable to them on the days they choose to wear flip-flops or sandals. Boots can be difficult for the children to navigate safely on the playground as well. Parents can help by establishing a routine from the very first day of preschool by telling your children to "put on your school shoes", which are athletic shoes!

We want to keep our preschoolers safe!
