

Preschool Tuition 101 for Parents!

This handout will assist you with a few helpful details about
Kidslink Preschool tuition:

- **Kidslink preferred payment method: Automatic on-line payments** set up from your credit/debit card or bank account. Simple for you and us! Always on time and no late fees. We encourage you to follow the instructions on the back side of this page!
- Tuition is really **a yearly payment divided into 9 monthly installments.** You can pay for several months at a time, a semester, or for an entire school year.
- **Tuition is due the 1st of the month and payable on or before midnight on the 10th of the month.** We expect prompt payment! You will receive a tuition reminder note on or before the 10th of each month if we have not received a tuition payment in the office. A \$10 late fee is added to your account after the 10th.
- You may **pay on-line** (refer to back side of page for further instructions) or you can pay **in the Kidslink Office**. We accept payment with **any major credit card**.
- You can still **pay by cash or check**. Give check payments to your child's teacher when dropping off or picking up your child. They will have tuition envelopes in the classroom. Bring cash directly to the Kidslink Office.
- Please separate your payments for T-shirts and tuition. We have two different accounts for these items at Kidslink. You will be able to pay for tuition by credit/debit card, automatic on-line payments, cash or check. T-shirts will need to be paid by cash or check only.
- It is helpful to write your child's name on the memo portion of your check. This is especially important if you have a different last name than your child or if grandparents or others are paying tuition.
- If you have a flexible dependent account and need to have receipts for your payment, contact the Kidslink Office.
- Keep your child's tuition account current. Delinquent accounts will result in your child not being able to attend class until balance is paid!
